**COLORADO AUTO CONNECTION NAMED PRESENTING SPONSOR OF
THE 24TH ANNUAL EXOTIC SPORTS CAR SHOW AND CONCOURS D'ELEGANCE
BENEFITTING CEREBRAL PALSY OF COLORADO**

Denver, CO (February 5, 2007): Cerebral Palsy of Colorado (CP of CO) announced today that **Colorado Auto Connection** will present **The 24th Annual Exotic Sports Car Show and Concours d'Elegance**, Sunday, June 10, 2007 at the Arapahoe Community College, in Littleton, Colorado. Please contact Liz Neafus-Stenzel, Director of Public Relations for Press Passes and Photo Opportunities.

With an anticipated 10,000+ in attendance, the all day affair is the largest show of its kind in Colorado! Included in the day's event is the opportunity to view Colorado Auto Connections #1 alternative fuel vehicles. They include:

The Smart Car, the most fuel efficient gas powered vehicle on the planet. Don't be fooled by its charming, futuristic look, the SMART will surprise you with its handling, its stylish, roomy interior for 2 passengers, and its innovative design.

The Dynasty is a zero emission, electric Low Speed Vehicle (LSV) designed for urban, recreational and light commercial markets such as planned and gated communities, destination resorts, industrial complexes and universities. Available in sedan, utility, tropic, sport and van body styles.

The Current is a zero emission, electric vehicle designed for urban passenger car usage. This vehicle is going to set the new standard in affordable, full-featured, 4-passenger electric city cars.

The 2006 Xebra Sedan is a 4 Door, 4 passenger vehicle that is equipped with 3 Wheel Disc Brakes, Independent Suspension, Steel Underbody Frame, Infusion Molded Fiberglass Body, Molded Plastic Bumpers and 110 Volt AC Charger.

The Xebra PK Electric Truck is a 2 Door, 2 passenger vehicle that is equipped with 3 Wheel Disc Brakes, Independent Suspension, Steel Underbody Frame, Infusion Molded Fiberglass Body, Molded Plastic Bumpers and 110 Volt AC Charger.

View over 300 rare and exotic sports cars, child passenger safety demonstrations, food, fun, vendors and entertainment for the whole family. This unique occasion draws automobile enthusiasts from around the nation. Entrance contribution is \$10 for adults, children under 12 are free. Tickets are available at the gate on the day of the event. For more information visit www.cpc.org, or call Cerebral Palsy of Colorado at 303-691-9339.

Benefactor Cerebral Palsy of Colorado's Creative Options Early Education Centers offer its families the tools that will allow them to thrive as citizens. In an era when returns are so poignant, an investment in CP of Colorado's programs is quite literally an investment in the community. And as with traditional investments, these returns are tangible. For every child that CP helps educate, is has the potential to create a meaningful life. For every parent that CP helps stay informed, it allows that parent to make educated decisions about their child's future. CP's prevention and intervention strategies address the challenges that face all of Colorado's children, regardless of ability. Eighty-nine cents of every dollar goes directly into helping these children.

About Presenting Sponsor Colorado Auto Connection: Colorado Auto Connection (CAC), an automotive dealer specializing in motorhomes, trailers, and alternative fuel vehicles is located in Parker, CO. A family owned business; which brings 32 years of automotive experience in the Denver areas. CAC will soon be the largest RV parts dealer in the Denver Metro area. Additionally, CAC just recently became the North American distributor for the Quanxing Transport Equipment Company. This new distributorship venture will help to bring the first affordable, full-featured, 4-door electric city vehicle to the U.S.A., making Colorado Auto Connection one of the leading distributors of alternative fuel vehicles in the nation. For more information please call **866-899-8110**, visit www.coloradoautoconnection.com or stop by our showroom at **10510 South Progress Way, #100 in Parker.**
