Mother's Tea -- A Celebration With Purpose!

This remarkable celebration is all about honoring the spirit and devotion of some very special moms. Held in the grand ballroom of the Westin Tabor Center in downtown Denver, this year's Asian-Themed Mother's Tea will feature a champagne reception complete with grand pianist and complimentary portraits by Scott T Photography. Attendees will enjoy a sumptuous lunch and relaxing day of entertainment, which will include a very exciting fashion show and fabulous giveaways. The event will conclude with Celebrity Host, Theresa Marchetta, CBS 4 Denver's award-winning news anchor, announcing the winners of pamper packages for six, community-nominated, very deserving mothers. These elegantly prepared packages, which include spa services, dinner and an overnight getaway, are the perfect gift for mothers, who so often place the needs of their children ahead of their own.

Deserving of Special Recognition

Over the years, CP of Colorado has witnessed the incredible difference that mothers make in the lives of their children with special needs. Whereas many moms wear many hats, these mothers' challenges are uniquely diverse in the care and upbringing of their children. Their lives often revolve around medical appointments, special therapies and advocating for the inclusion of their children in the educational system and throughout their communities. Their stories of motherhood demonstrate the selfless and extraordinary commitment, love and sacrifice that help their children overcome the daily challenges they face.

Your Sponsorship Makes all the Difference!

Sponsorship of the Mother's Tea is a wonderful expression of thanks and recognition for these exceptional moms. Your support not only helps mothers attend the event, but also is used to help fund CP of Colorado's six, family-driven grassroots organizations within Statewide Family Support Services. These services help more than 33,000 individuals and families connect in a way that helps to create systems change, share critical resources and provide lifetime support and connections with each other.
