

Opportunity is AFoot!

**SQUARE FOOT
SOCIETY**

AT CP OF COLORADO

Have you heard what's going on at Cerebral Palsy of Colorado?

It's true! We just recently completed the construction of Phase I of our new 73,827 square foot building at Lowry. While this is a proud and historic accomplishment for CP of Colorado, the real news is not in what has been built, but rather in the realization of human potential. Within each square foot of this state-of-the-art facility, a new journey of hope and opportunity is emerging for thousands of individuals, children and families in need of help, both now, and for future generations to come.

Creating Opportunities— One Square Foot at a Time!

In an effort to fund this incredible journey, CP of Colorado has created the Square Foot Society, a group of ordinary citizens creating extraordinary opportunities for people in their community.

Want to become a member? It's easy! Just donate one square foot or more of our new building. Your support will become the foundation on which CP of Colorado's programs and services can grow and thrive. More important is the remarkable and lasting impact you will be making in the lives of those we serve!

Make your donation work for you through the Colorado Childcare Tax Credit

As you may know, CP of Colorado is a qualifying organization for the Colorado Child Care Tax Credit. This tax credit allows for a 50% credit toward your State of Colorado income tax liability up to \$100,000 annually. This tax credit is available to apply toward individual and business income tax liability. Any unused portion of the tax credit may be carried forward for up to five years. Below are some sample contribution amounts and the actual net cost of that donation after Federal and State of Colorado income tax deductions and Colorado Child Care Tax Credits have been applied. Take a close look at the significant difference between your contribution and the actual net cost of that contribution. This tax credit is a very important feature to many donors, and it is clearly an important feature to the success of this campaign.

Sample Tax Credit	1 Square Foot	25 Sq. Feet	50 Sq. Feet	100 Sq. Feet	200 Sq. Feet
Gift Amount	\$150	\$3,750	\$7,500	\$15,000	\$30,000
Income Tax Deduction					
State	\$7	\$173	\$345	\$690	\$1,380
Federal	\$17	\$428	\$855	\$1,710	\$3,420
State Income Tax Credit	\$75	\$1,875	\$3,750	\$7,500	\$15,000
Total Tax Savings	\$99	\$2,475	\$4,950	\$9,900	\$19,800
Net Investment after tax savings	\$51	\$1,275	\$2,550	\$5,100	\$10,200

This assumes a 25% income tax bracket. This sample is in compliance with Mile High United Way literature on Colorado Childcare Tax Credit. Federal tax deduction is lowered because of the add-back effect of reduced state tax.

State fixed tax: 4.6% Federal 22.8% due to add back effect

An Investment in Human Potential!

Creative Options Center for Early Education

Serving children pre-birth—to 5 years old, this comprehensive early childhood education program helps children and families receive optimal support through our highly trained staff and dedicated team, which consists of early childhood educators, occupational therapists, speech therapists, family service workers and teacher assistants.

Employment Works

Youth and adults with disabilities or other barriers to employment receive job training, placement and retention services. Through relationships with hundreds of employers, Employment Works is able to offer choice-driven services that help to create a healthier economy and provide Colorado businesses with dedicated and dependable employees.

Statewide Family Support Services

CP of Colorado's six family-initiated, family-driven grassroots services provide children, youth and adults with disabilities and their families critical resources by way of parent support groups, healthcare forums and informative websites.

Vanguard Classical School

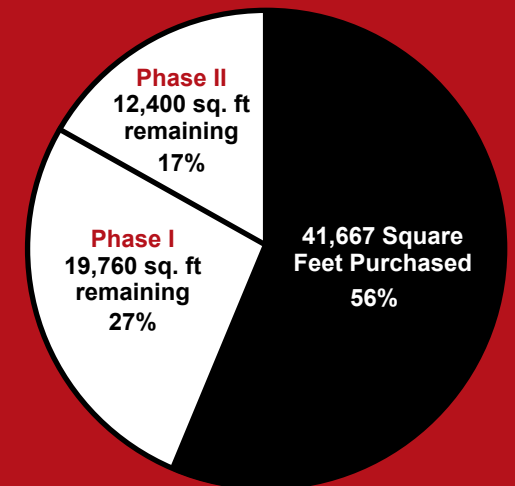

Newly launched by CP of Colorado, this K—6th grade charter school facilitates educational success through individualized academic achievement and character development by way of a rigorous, content-rich, **inclusive** learning environment.
